

# Roby Mill CE Primary School

Headteacher: Mrs N Grand

*Dear Parents and Friends,*

*On behalf of all the governors, welcome to Roby Mill CE Primary School.*

*At Roby Mill, school governors, staff, parents and children work as a team, building on success in an atmosphere of care, where everyone feels valued. We are proud of the high standards our pupils achieve across the curriculum. As governors, we become involved with a variety of issues including finance, pupil welfare, public relations, maintenance of a wonderful old school building and staff appointments. However, without a doubt we consider our most important role to be to monitor the welfare and education of our pupils.*

*We are justifiably proud of the children in our school, I would like to thank our parents who encourage and support their children in all that they do. In a 'Good' school such as ours, parents rightfully take an interest and pride in their child's learning, and we are there to further support our parents if needed in this role.*

*During the early years of education, academic, personal, social and creative skills are nurtured and developed within our EYFS classroom. This is then further developed within KS1 and KS2 by dedicated staff who understand our children well. This strong partnership between the staff and parents underpins our school ethos.*

*Governors are appointed to ensure that school objectives are met and that planning for the future is both visionary and realistic. We are here to support and encourage the Headteacher and school staff so that all of our children have access to an enriched education and the opportunities they all deserve.*

*I am available to parents to discuss any matter relating to the school, as long as this has been discussed with the Headteacher first. Parents and Governors have key roles in helping Roby Mill Primary to maintain standards for all our children, both now and for future generations.*

*Best wishes,*

*Carole McCourt  
Chair of Governors*
