Tolerance of different cultures and faiths is our British Value focus for this half term.

This week's key question:

What makes a good peacekeeper?

This week, KS2 have been working hard in computing designing objects for our 3D printer. The printed results are great! KS1 had a super afternoon on Thursday when we welcomed Vivienne to answer our questions about the church. Reception have been thinking about their families and explaining what we like to do together.

We finished this week with another super session with Prags. We learnt about the Diwali story, made diya pots, had henna designs, danced and tried new foods. What a super morning we had!

Clothing—please make sure all uniform is labelled as we have a lot of jumpers and cardigans in school with no names in. A lost property display will be held in the conservatory on Parents' evening.

Reminder to return letters and money for the pumpkin patch next Friday.

Children will need to come to school in outdoor clothes and bring their uniform in a bag to change into. This year, for staffing purposes we will be going into 2 groups. Reception and KS1 will go first followed by KS2.
