*Tolerance of different cultures and faiths is our British Value focus for this half term.*

### *This week's key question:*

*Can anyone get a world record if they try hard enough?*

It's been another busy week at Roby Mill. Our KS2 pupils have been enjoying playing the instruments in Music with Mr Scott. KS1 have been thinking about when they feel close to God in RE and Reception have been doing all things superhero! A huge thank you to our KS1 parents who sent information and examples of old toys for our history lesson. The lesson was brilliant and the children loved sharing their ideas and experiences.

We finished this week with our Macmillan coffee morning. Many thanks for all the kind donations and for the families who were able to join us. We raised a fantastic £ 162.75 for the charity.

Next Friday, KS2 will be taking part in a stem glider day. All children have received a permission form. Can these please be returned to school ASAP so the event can go ahead as planned?
