*Respect is our Christian value for this half term.*

*The rule of law is our British Value focus for this half term.*

*This week's key question:*

*Why do people explore the past?*

This week, Key Stage Two have been consolidating their skills in Maths thinking about money, time and measures. Key Stage One have been working hard on reciting poetry and Reception have been enjoying activities linked to The Lighthouse Keeper's Lunch.

On Tuesday, we had Matt from RLSS UK in school to teach us about staying safe around water. All the children showed excellent knowledge and worked hard to develop their understanding of potential dangers.

Please ensure children have trainers in school for PE

Proofs of the group photos have been sent home with details on how you can order. The deadline for orders is 7th July.

We still have outstanding trip consent forms and money for the trip to Scotsman's Flash next Friday Please ensure these are returned children will be unable to participate without the consent and medical forms

Thank you
