Respect is our Christian value for this half term.

The rule of law is our British Value focus for this half term.

This week's key question:

Can donating something important be a good way to show you care?

At Roby Mill this week, we have been predicting what will happen in our new narratives and enjoyed listening to the start of our adventure novels. In

Key Stage One, we have been working hard on our alien words in preparation for our phonics checks. Reception have enjoyed listening to their new book *Sharing a Shell*.

On Wednesday, our Year 6 pupils joined a transition session with Kooth where they were given tips and advice on how to manage the move to secondary school.

On Thursday, some of our KS2 pupils started their wellbeing champion training with Compass Bloom. This will give them the skills to help their peers and promote positive wellbeing.

As the weather is so changeable at the moment, please ensure that all children have a waterproof coat with them at all times.
