*Friendship is our Christian value for this half term.*

*Tolerance of faiths is our British Value focus for this half*

***This week's key question:***

*Can donating something important be a good way to show you care?*

This week at Roby Mill, we have been working hard in Key Stage Two on writing balanced arguments including whether children should wear school uniforms. Key Stage One have been enjoying their music lesson with Mr Scott and have been playing the recorders. Reception have been working hard on their phonic sounds.

Before the Easter break, KS2 pupils had a day learning about engineering and entered a national competition with their own engineering inventions. I am delighted to tell you that many of our pupils achieved certificates for their designs with Ben and Evie receiving distinctions. Louie also received a distinction and has been highly commended in his year group meaning he is in the top four pupils and has been invited to an awards ceremony. A huge well done to all our future engineers. We are so proud of you!

We hope you all have a wonderful half term break. Please remember we have two INSET days on Monday and Tuesday so return to school Wednesday 4th June.
