This week's key question:

What everyday items could be changed to help others?

It's been a super week at Roby Mill with plenty of super learning taking place through out school. Reception have been writing sentences to order narratives, Key Stage One have been writing persuasive texts and Key Stage Two have been developing their cricket skills in PE.

Our Year Six pupils completed the Sats this week. They really impressed us with their dedication, effort and commitment. Well done Year Six, we are proud of you!

We finished the week with a super session with Prags, cooking potato curry, chapatti and pani-puri.

Many thanks to all the family and friends who came to enjoy what we had cooked.

Clubs following the half term break will remain the same. If you want to change any clubs your child attends, please let Mrs Willcock know.

Otherwise, we will keep the bookings the same.

Invoices up to last week will be sent home with children today, please make sure these are paid before we finish for half term next Friday, thank you
