Forgiveness is our Christian value for this half term.

Mutual respect is our British Value focus for this half term.

This week's key question:

Should we be allowed to travel anywhere we like?

It's been a busy but exciting half term with plenty of amazing activities and super learning taking place. This week, Key Stage Two have been writing Haiku and Limerick poems. We have published some which can be found on our website. Key Stage One have been learning about animals and their young in Science and there's been plenty of love felt around Reception as we've been making valentines cards for our friends.

Our sports counsellors and some other KS2 pupils had a tour of Wigan Warriors on Thursday. We looked around the stadium, gym, changing rooms and interviewed some of the female team. It was a super morning and all pupils represented Roby Mill brilliantly.

Work on our hall is starting over the holidays so hopefully it will be back in action very soon.

We start swimming on Tuesday 25th February. A letter has been sent out this week with more information and a permission slip for goggles. Please return this ASAP if you want your child to wear goggles for the lessons.

We hope you all have an amazing half term break and we look forward to welcoming you all back to school on Monday 24th February at 8.40am.
