This week's key question:

Should Youtube have more rules for younger users?

This week, we've been working hard right through school on our new topics. Key Stage 2 have been challenging themselves in Maths learning about fractions and decimals. Key Stage One have been learning about Jesus calming the storm in RE. Reception have been reading the hungry caterpillar and have created some super crafts linked to the topic.

On Wednesday, KS2 had a hydration lesson with the school nurse team. It was a really information session and we have now decided to become hydration heroes! We are monitoring how much we drink during the day and already we have noticed a difference. Great work everyone!

We finished the week with another great session with Prags. We learnt about the Sikh 5Ks and finished with some wonderful dancing.

An early reminder about World Book Day which is on Thursday 6th March. Children can come dressed as their favourite book character and bring their favourite book to share.
