This week's key question:

Can famous people help others make good choices?

This week at Roby Mill, we have been working hard in our lessons and enjoying a range of new lunchtime clubs including computing, book club, football and loom band club. In KS2, we have been thinking about different ways to pray and the books of the Bible in RE, KS1 have been thinking about significant people in History and Reception have been working hard on their phonics assessments recalling all the sounds they know.

A huge well done to our Year 4 and 5 pupils who completed level 1 of the Bikeability course. Their skills were excellent and they are ready to complete level 2 next year.

A big thank you to Iyla, Willow and Daisy G who represented Roby Mill at church on Sunday. They read beautifully and took part in many other aspects of the service including splashing the congregation with holy water! The next all age worship will be on 8th February. Please let me know if any children are interested in reading or leading parts of the service.

Can you please ensure that all children have an indoor and outdoor PE kit including trainers. There are some pupils who have to regularly borrow kits.
