

UPHOLLAND ROBY MILL PRIMARY SCHOOL NEWSLETTER

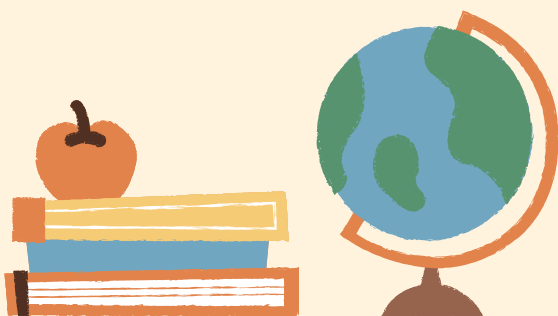

17TH APRIL 2026

This week's news...

Welcome back after the Easter holidays. Everyone has settled back into school so well and all children have been busy with their new topics. KS2 have been working hard on angles in Maths, KS1 have been enjoying reading Handa's surprise and Reception have loved learning about space. Our spaceship in the outdoor area has been a real hit!

Many thanks to our parents who put themselves forward for our parent governor role. I am pleased to inform you that Alex Whittaker has been re-elected to our board.

Star of the Week

Ava P

For excellent work on angles in Maths.

House Point Winners

Red - Theo H, Paisley

Blue - Tobias, Ben

Green - Finn, Iyla

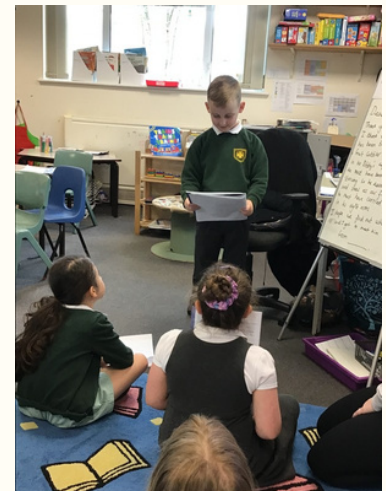

Thank you to everyone who displayed their Easter garden in church. We have had many positive comments about how amazing they were. Well done everyone!

On Thursday May 7th, our KS1 classroom will be used as a polling station. As a result, we will have no access to the classroom for the whole day so our KS1 pupils will be visiting Windmill Animal Farm for the day. Further details and letters have been sent out today. Don't worry, KS2 won't be missing out as we have some visits planned for them after half term!

A special congratulations and well done to Iyla who has been growing her hair for the past four years in preparation to donate it to the Princess Trust. This week she cut her hair for the charity. If anyone would like to donate to this worthy cause, please leave any donations in the office. Well done Iyla, we are so proud of you!
