

UPHOLLAND ROBY MILL PRIMARY SCHOOL NEWSLETTER

11TH SEPTEMBER 2026

This week's news...

We've had a super full first week at Roby Mill. Our KS2 pupils have been enjoying their Maths work based on place value. KS1 have been working hard on their reading comprehension skills when reading the text 'Lost and Found'.

Reception have been enjoying telling our new friends all about themselves in our 'All About Me' topic.

We also started our PE lessons this week which were a big hit with both classes. There are still a couple of children without PE kits in school. Please ensure children have shorts, their PE tops and trainers and a tracksuit on hand for when the weather turns colder.

Star of the week

Evie Mae for excellent effort and understanding in Maths.

Dahlia for amazing reading in school and at home.

House Point Winners

Blue – Ellie, Ben

Red – Jack F, Ava P

Green – Thomas MM, Iyla

We are holding a careers week starting September 28th. We are asking parents or carers to tell our pupils about their jobs. If you are able, please let Mrs Grand know. Children can also come dressed as their dream job on Friday 2nd October.

On 24th September, members of our church community are going to run a free creative worship activity in school. The session will run 3.15 until 4pm. Children must have an adult with them. If your child attends after school club on that day, they can attend with Mrs Fairhurst as their adult.

This week's question...
What keeps us going when things get tough?

Upcoming Events

23.09 Parent afternoon 3.15–4pm
23.09 Reception vision screening
