

UPHOLLAND ROBY MILL PRIMARY SCHOOL NEWSLETTER

2ND OCTOBER 2026

This week's news...

This week at Roby Mill, we've been thinking about our future careers.

We've been creating our own businesses, job adverts for our dream jobs and have been so lucky to hear about the careers some adults do. We finished the week with a dress up day of our dream jobs. What amazing aspirations we have!

A huge thank you to our special visitors this week who have inspired us. Laura's Mum, Finn's Dad, Tobias's Mum and Miss Dunn's partner, Adam all told us about their amazing careers, thank you for sharing these with us.

On Thursday, we also took part in 'Restart a Heart'. Ask us about our knowledge and how we can help others!

Star of the week

Ivy

For excellent reading in Guided Reading.

Ellie

For super listening and always making great choices.

House Point Winners

Red – Albert, Lottie

Blue – Ben

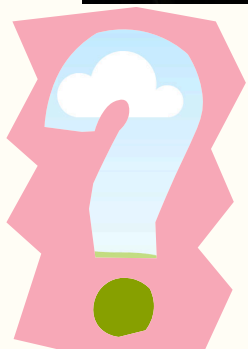

Green – Laura, Thomas M and Iyla

Next weekend, Roby Mill school celebrates its 150th birthday. To help us celebrate, next Friday (9th) children can come dressed in party clothes. We will be creating a timecapsule and learning about our school through the years.

Thank you for all parents' evening time requests. If you haven't requested a slot, please send the form into school so a time can be allocated.

We will be visiting the Pumpkin Patch again this year. Letters with all information will be sent out next week.

This week's question...
How can we share our stories?

Upcoming Events

09.10.25 150th Birthday Party
16.10.26 Positive mental health day
